**BREAD
OF LIFE**

FROM THE PRINCIPAL

I am the bread of life. Your fathers ate the manna in the wilderness, and they died. This is the bread that comes down from heaven, so that one may eat of it and not die.

John 6:48-50

"I love Bread..." Oprah Winfrey declares with joy and abandon as she begins an ad for Weight Watchers. And who doesn't love warm bread oozing with butter. First, it satisfies me by taking away hunger. Second, it gives me life in the sense that I get to eat and live, rather than starve and die. But I also think of this when I think of today's scripture from John. Why? Because Christ as the Bread of life does the same. He takes away the hunger of being alone and the feeling of being separated from God. He is our Bread of life that feeds our soul and brings us life through him. I love that the Bread of Life connects me to other believers, both those gathered with me as well as those of the church at large. Christ as the Bread of life heals my soul and brings me comfort. And while we, as well as the disciples, may not always understand what Christ wants us to do, he always provides us with what we need. We are invited to walk with Christ and be a part of his life. On Sunday morning as I come to the table to partake of the Bread of Life, I would love to say with as much Joy as Oprah, I LOVE BREAD! I love the life that Christ has given to me. It shapes my life and helps me understand who I am in my walk with Christ. I want to sing and shout and proclaim with great joy, I Love Bread... I love the Bread of Life!

WHERE CAN I USE MY TAX REFUND?

We all look forward to our tax refund each year and how it can make life easier. Here is a suggestion: Why not pay down a child care balance? Some families still carry amounts from previous years that are not necessarily decreasing. Please remember that full graduation is not an option if you have outstanding balances with our school and child care (which is an extension of the school).
